for boring bathrooms.

LOOKBATH™

Because life's too short
for boring bathrooms.

Introducing LOOKBath™

For people who want their bathroom to
LOOK and feel as individual as they are.
Whether minimalist, trendy, traditional
or transitional, LOOKBath™ will add value
and appeal to your bathroom space.

WHY LOOK?

- We leverage proprietary innovative technology and control all design and production of our fashion-focused products, creating new styles quickly and accessibly.
- We use only the best cast acrylic available. The non porous material and stain-resistant finish will look like new for many years to come.
- All of our tubs feature: stainless steel frames embedded into the tub base, large self-leveling feet, drains and overflows, and above floor rough-in for easy install.
- Because the bathrooms you create should be as special as the spaces you put them in.

Mirror Mirror on the wall,
LOOK at the most stylish
bath ideas of all.
